Summary

As a passionate web developer with a Bachelor's in Computer Science from the University of Massachusetts - Lowell, I have honed my skills in Next.js, JavaScript, Typescript, MondoDB, and more. At CADSPARC, I optimized web services and managed network administration. Through projects like UML-Right-NOW and EasyNote Audio, I gained expertise in UI/UX design, code quality monitoring, and functionality implementation. Fluent in Spanish and English, I am eager to bring my technical prowess and collaborative approach to a forward-thinking organization.

Education

University of Massachusetts - Lowell

Bachelor's, Computer Science

December 2023
